

ENTRY FIREFIGHTER

We want you to join our team of dedicated and compassionate firefighters! We seek candidates from a variety of backgrounds and experiences.

[Tualatin Valley Fire & Rescue](#) is Oregon's second largest fire department. We are located in one of the fastest growing regions in the state.

TVF&R is a full-service fire district providing emergency medical and fire response, specialty rescue capabilities (water, hazardous materials, and technical), building inspections, code enforcement, public education, emergency management, and much more. TVF&R's 26 fire stations are staffed by approximately 400 career firefighters (emergency medical technicians and paramedics).

To be considered as an applicant, you will need to take the FireTEAM test administered by [National Testing Network](#) (NTN) and send your score to TVF&R.

To sign up to take the FireTEAM test, go to the NTN website at www.nationaltestingnetwork.com, select Tualatin Valley Fire & Rescue, and follow the directions to schedule your test location, date, and time.

Minimum qualifications include:

- High school diploma or equivalent.
- An Oregon EMT or Paramedic license by date of employment.
- A current, valid driver's license and a driving record insurable by the District.

We anticipate requesting the list of names from the National Testing Network in mid-August to fill entry-firefighter vacancies for early 2017. Interviews are tentatively scheduled for mid-September and will occur on site.
