

FIRE INSPECTOR

\$19.13 - \$27.19 Hourly

(\$1,530.74 - \$2,175.22 – Biweekly)

Full Time Regular

Gainesville, Florida

The City of Gainesville's **Fire Rescue Department** is seeking a Fire Inspector to perform professional and technical work of a complex nature enforcing compliance with City and State fire prevention codes, delivery of fire and life safety programs, and investigations of fire origin and cause.

To be considered for this position you must have an Associate degree from an accredited college or university with major course work in fire science, criminal justice, public administration, or related area; and three (3) years of progressively responsible experience in local or state government fire inspections, fire behavior or fire protection systems; or an equivalent combination of education, training and experience which provide the required knowledge, ability, and skills.

Certifications:

- Current State of Florida Firefighter Certification
- State of Florida Fire Safety Inspector Certification
- State of Florida Emergency Medical Technician (EMT) Certification
- Current State of Florida Fire Investigator I certification is required within one (1) year of appointment

Notes:

- Must not have a conviction of any felony or a misdemeanor involving moral character, perjury or making false statements.
- Current lifestyle must be free of illegal drug use.
- Must meet eligibility requirements: formal application, review of education, experience and certifications, physical agility and skills test, oral interview, background check, pre-employment medical examination, and final selection.
- Must submit to a polygraph and drug screening.
- Candidates being considered for this position will be subjected to: a formal application process where education, experience and certifications are reviewed; a physical agility

and skills test; an oral interview; a background check; and a pre-employment medical examination.
